

SUPERCELEBRATION

OPERATION PRIEST TREASURE HUNT

Solve the clues in this pack and hand it in to Registrations
before 15:00 on Sunday 22nd September 2019
and you're in with a chance of winning a prize!

Step 1

Ensure you put your name (or team name) on both question and photo pages.

Step 2

Determine the eight Anderson filming locations marked on the map overleaf (they're all related to **The Secret Service, Doppelgänger** and/or **UFO**).

You might find **avengerland.theavengers.tv** helpful in determining the locations.

Step 3

Using the following cryptic clues, identify the **four locations** you need to visit:

1. *Ensure you leave Cranford on time.*
2. *Where night suddenly becomes day.*
3. *For service, this place is a short walk from home, but in reality it's around 10 miles away!*
4. *Here you'll find Catherine and your brother, Gregory.*

Step 4

Put the letter of each of the four locations you visit in the map marker and then answer three questions based on what you'll find there.

Step 5

You should also identify which of the eight photographs were taken at which of the four locations you visit and put the letter of each in the map marker on the photo page.

If you get a chance to work out the locations of any of the remaining four photos, pop those on the sheet too as we'll use those to determine a winner if we get a tie.

Step 6

Hand your completed question and photo papers in to Registrations before 15:00 on Sunday 22nd September 2019 for checking!

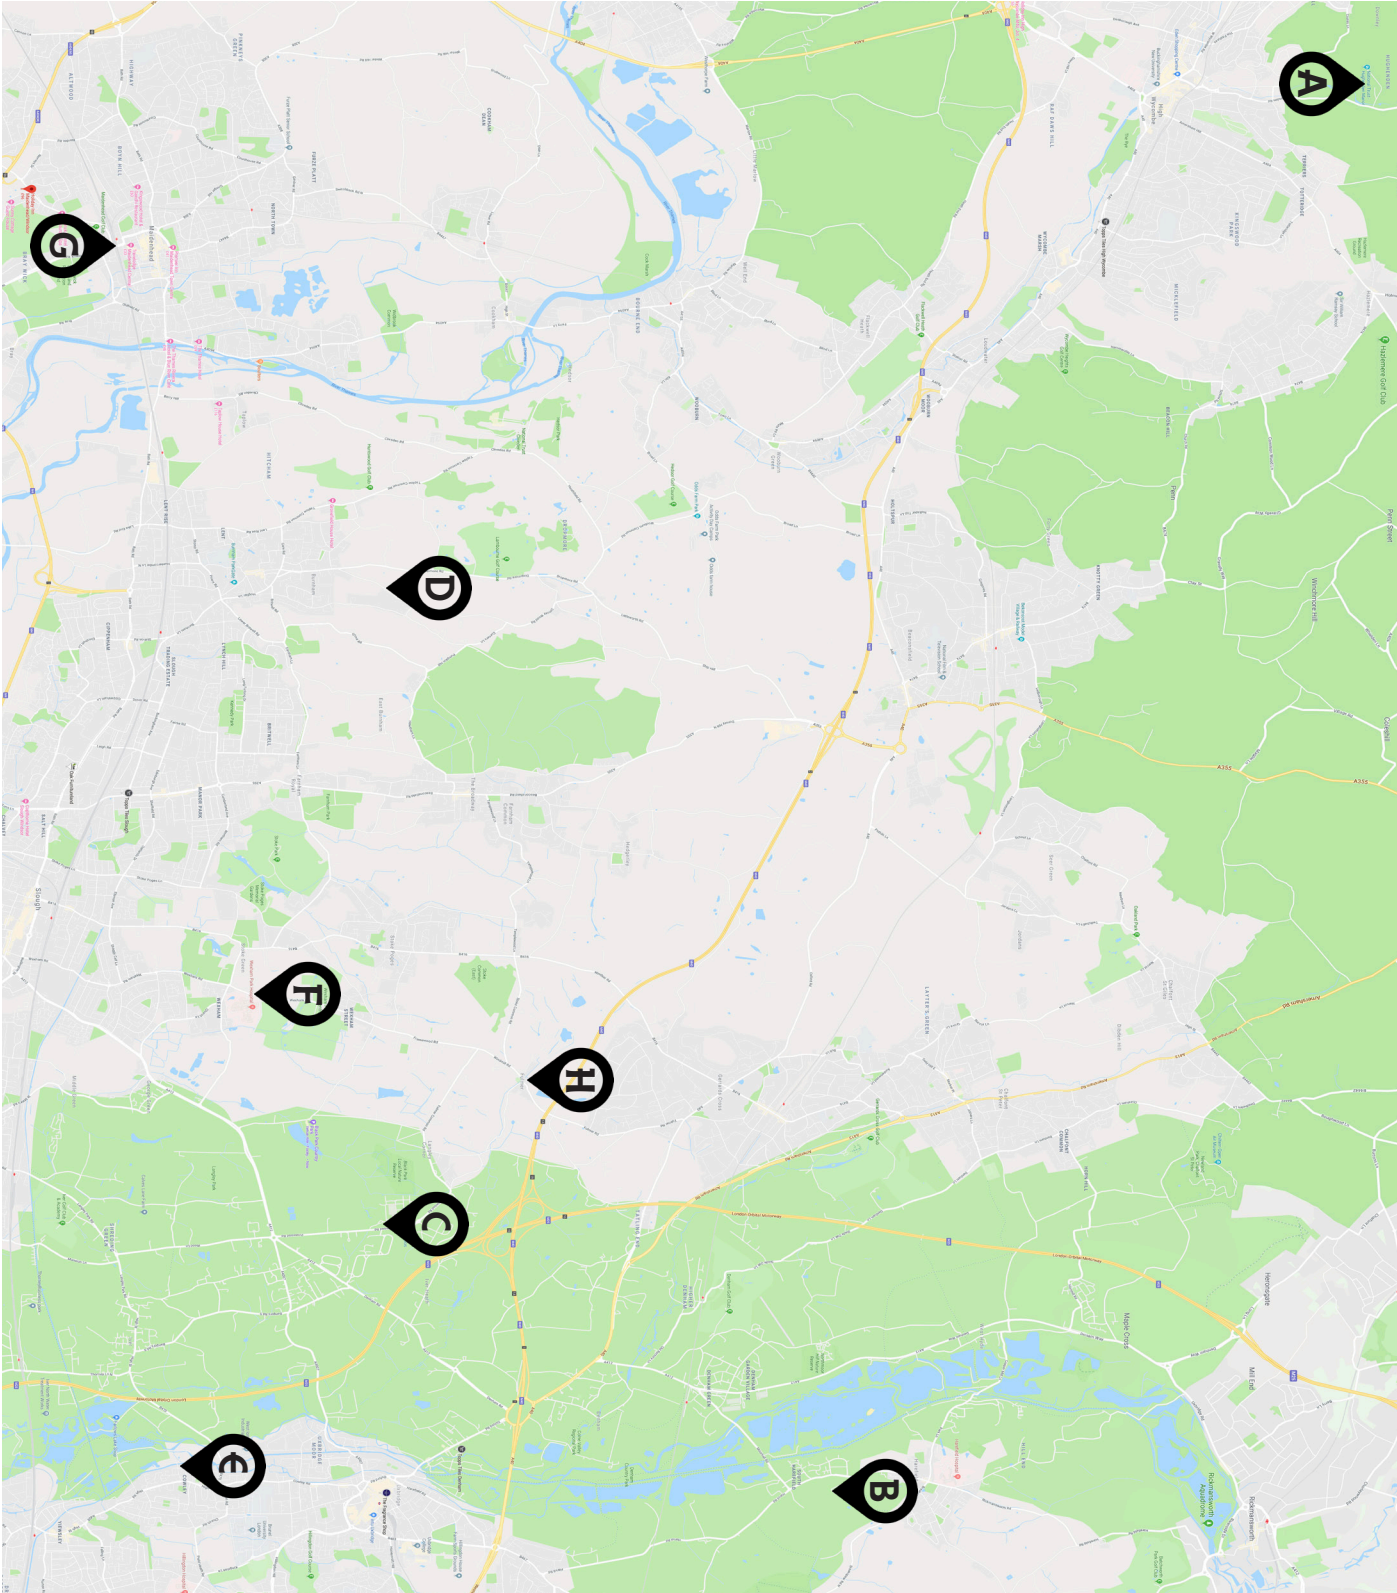

In any dispute, the judges' decision is final.

Note:

- You can visit the locations in any order
- The time between locations is approximately 30 minutes maximum, so the Hunt should take you about three hours
- Fanderson accepts no liability for your actions, so **observe the law at all times**, especially with regard to driving, parking and trespass
- **You do not need to enter private property** to answer any of the questions
- You should be able to park free of charge at all the locations but, of course, there's always the chance that free parking won't be available when you visit
- All clues and photos were checked as extant shortly before publication of this pack, and are expected to be so at the time of Supercelebration.
